2020-2021 JORDAN ORCHESTRA ROSTERS

PLEASE READ

Dear Jordan Orchestra:

I am thrilled to welcome you to Jordan High School Orchestra! Thank you all for submitting your orchestra auditions in a timely manner.

The Jordan Orchestra rosters are now available and use Katy student ID numbers. Please refer to the audition requirement packet to view the criteria required for each orchestra level (information is found on our website: www.jordanorchestra.org). Please keep in mind that the Jordan orchestra program will increase in size and musical ability as our school matures. Next year, we are in a unique situation of starting a brand-new program that is pulling students from five different campuses, each with different musical expectations and playing abilities, into one unified orchestra program. This is exciting in that we have the fortunate opportunity to establish our own standards and expectations of excellence at Jordan!

Please know that every student is valued in our orchestra program. **We value learning correct technique and developing high-level musicianship over competition against one another.**

In general, membership in each level is based on: **1)** Overall audition performance (technical proficiency and musicality demonstrated); **2)** Musical potential; and **3)** Students' previous orchestra director's recommendation. Students are assigned to the orchestra level that is most musically appropriate for them.

There is no opportunity to re-audition. All results are final and at sole discretion of the director. I will not respond to any complaints regarding orchestra placement.

Always do your best to learn and improve no matter what level orchestra you belong! I am here to help each person learn and understand how to musically progress.

Let's have a terrific first-year making music together! **Please continue to check your email over the summer as I will be sending out more information about Jordan Orchestra.**

Regards,

Mr. Butz
